*Florida Virtual School serves two purposes for EBV HS students. It helps students recover missing credits and allows students to increase the rigor of their HS transcript in preparation for college applications.

For students seeking to improve the strength of their HS transcript, please look at the Advanced College Preparation section below for more information.

Advanced College Preparation

Students with a record of successful academic achievement and independent learning can participate in our *Virtual High School (VHS) course offerings starting in grade 10.

For an additional fee, students will have the opportunity to enroll in the following virtual courses [here](https://www.flvs.net/online-high-school-courses) (https://www.flvs.net/online-high-school-courses). Opting for the Advanced track must include a parent meeting with the College Counselor to determine the student selects the appropriate additional classes and to discuss strategies to balance the extra workload.

Students must have a history of solid organizational and self-management skills and receive final approval from the Superintendent.
