IB SCORES - Class of 2024

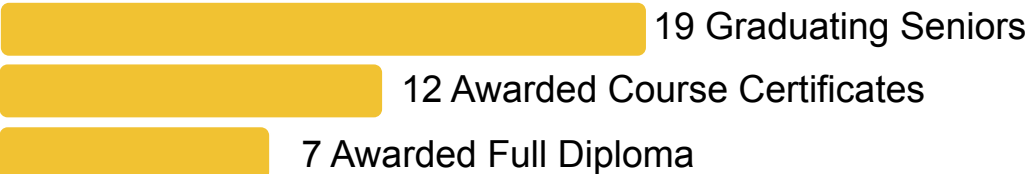

● EBV

● GLOBAL MEAN

EBV offers a U.S. Accredited Diploma and The International Baccalaureate Diploma Program

Due to small class sizes and the diminishing interest in standardized testing, we have chosen to not share our SAT data as it would not provide an accurate reflection of our student body.

At Escuela Bella Vista, we offer students the opportunity to enroll in International Baccalaureate courses without the expectation that they will complete the final examinations. They receive the same amount of contact hours and complete all expected IB assignments. The only part of the individual IB certificate they do not participate in is the final examination. These classes are listed and graded the same as IB courses on the EBV transcript. Because no final examination is planned, no predicted grades are available for these classes.
